PEDIATRIC ER

With the only dedicated pediatric emergency team in north Alabama, we are here for your child 24/7. From cuts and bruises to critical injuries, our specially-trained pediatric doctors and nurses treat more than 36,000 children a year in a kid-friendly setting that helps put young patients at ease.

MATERNITY

Every year, more than 5,000 expectant mothers trust our experienced maternity team to deliver their baby. If a complication arises during pregnancy, our dedicated OB Emergency Department is here to help. And for added peace of mind, the region's only Level III Neonatal Intensive Care Unit is on standby to provide critical, lifesaving care to any baby born with health problems.

ST. JUDE AFFILIATE CLINIC

We are home to one of only eight pediatric hematology/oncology clinics in the U.S. affiliated with world-famous St. Jude Children's Research Hospital. Staffed by highly trained pediatric oncologists and nurses, our clinic provides the gold standard of pediatric cancer care established by the experts at St. Jude in Memphis.
